TODAY'S GAMES.

Cleveland at Philadelphia.

St. Louis at Washington.

There is every indication now that Art Simms and Terry McGovern will join forces in the little ex-champion's preparation for his coming fight with "Young Corbett." Art recently wrote a letter to McGovern, naming his terms, and he has received a very favorable answer to the communication. Art expects to leave for New London, Conn., where McGovern will work, not later than Sunday.

The McGovern folks will also try to get Simms the opening bout the night of the fight. McGovern and Simms have met several times and Terry professes a great deal of admiration for Art's methods, although the negotiations for a fight between the two never amounted to anything more than some talk.

Art has no other bout in view at present, and will let his future work itself out while he works with McGovern.

ANOTHER GREAT GAME.

As a result of a great deal of hanting between members of the Western base ball team and their friends, a game will be played next Saturday between two teams, known as the "Has Beens" and the "Never Weres."

"Joe" Crane and "Jack" Giffen are the captains of the teams, and their men will be selected from the players and ex-players at the shop. The game is expected to produce some good ball and a great deal of sport.

A BIG MEET.

Less than two weeks are still to elapse before the opening of the big race meet here, and the racing men of the city are greatly interested in the preparation. The fact that the horses will come here from Cleveland makes a bigger meet than would otherwise be provided, and the fast time of the classes as made out means much good sport. More than a dozen Akron horses will be in the going and the best of the animals now racing in the North-eastern Ohio circuit will add to the fun.

AN ALL AKRON TEAM.

Despite the fact that more base ball

is being played this season than there has been for years past, Akron is without a representative team. The league teams are club or shop teams, and the others are without any organization to provide them with a name.

The recent games that have been dated and some of which have been played with outside teams, have made it appear to many that it would be a good thing to pick a team from the best of the local teams, call them the "Akrons," and play a post-season series with outside teams. Results there are to show that such a team could be picked which would be among the fastest in the vicinity, and this may be taken up and acted on a little later in the season.

NO GAME AT SILVER LAKE.

There is no game at Silver Lake today, the management of the city league having backed its convictions to the extent that it is unwilling to incur the expense of more base ball there. The grounds are rough and it is impossible to play good ball there, and the management declined to do anything toward fixing them up. The games may be resumed later, but for the present, they are abandoned, and the teams which would have played there will seek games outside the city.

STEELE HAD THE BEST OF IT.

Chicago, July 10.—Tom Conlig, of Dunkirk, N. Y., and Otto Siefelt, of Chicago, fought a six-round draw here last night, according to the referee. In the opinion of others, however, Siefelt won the fight all the way. Conlig seemed unable to land on Siefelt with any effect, and during the contest reached the Chicago man but three times.

JEFFRIES TIRED, NOT SICK.

Oakland, Cal., July 10.—Rumors were flying thick and fast around town today to the effect that Champion Jeffries was sick at his quarters as a result of overtraining. This gave rise to the report that Jeffries was out of condition and that he was laid up for repairs. It was pointed out that the champion is away below his normal weight. Trainer Leloney admits that Jeffries has worked too hard.

Jeffries arose at 1 o'clock Friday and showed up at the gymnasium at 2 o'clock. He said:

"I am not sick. I was tired after being at the theatre last night. I have cut out my work today and will just take gymnasium exercises. I'll be ready for the fight."

Jeffries fell asleep while being rubbed down.

RAVENNA RACES POSTPONED.

Ravenna, July 10.—The races here were postponed on account of rain until Saturday, beginning at 1 p. m.

LIMA RACES OFF.

Lima, O., July 10.—Heavy rains have caused the Lima Driving club's races to be declared off. Next week the Lima Jockey club will give a four days' run of racing, commencing Tuesday. There are liberal purses and a large list of entries for the meet, which is the first of the kind to be held here.

STRANGE

Actions of Caller at Police Station Caused His Arrest.

A middle aged man greatly excited, and who talked very broken English, came to Police headquarters, Saturday morning, and told the officers that he was pursued and that he believed that officers and others from Wheeling, W. Va., are after him.

He gave his name as Louis Miller, and asked for some one who could talk German. Officer Louis Mueller had a long conversation with the man, and then recommended that he be looked up as his actions indicated that his mind is affected. He was taken to the City prison and in the meantime, Wheeling will be notified and an effort made to obtain full information about the man.

WENT WEST

For Fortune But Now Sails East on Rough Seas.

"Go west, young man," was an inscription that Henry Vorden, of Fall River, Mass., read one day. He was a clerk in the drug store, whether preparing ice cream sodas for the Eastern girls or filling prescriptions, is not stated. At all events he was not satisfied and went west, but fortune did not open her food-gates upon the young man. Penniless, he started to return home, but when he reached Akron, he was arrested by B. & O. detective Heckathorne, for eluding to a moving train. "Squire Hoffman fined him \$5 and costs and he went to the county jail.

"For about one year and a half my face was badly broken out," writes Miss Emma, of 10 West Main st., Battlerock, Mich. "I used a great deal of money with doctors and used different kinds of medicine, but received no benefit. At last I obtained a bottle of Dr. Pierce's Golden Medical Discovery. Before I had taken one bottle of this medicine I noticed a change, and after taking three bottles I was entirely cured. I can now recommend Dr. Pierce's Golden Medical Discovery to any one similarly afflicted."

A CIVIL WAR VETERAN

J. W. Stanton of Canastota, N. Y., contracted Rheumatism during the civil war, owing to the constant exposure, and up to a few years ago suffered terrible torments. The best of doctors failed to help him. A friend recommended Dr. David Kennedy's Favorite Remedy, and it cured him completely.

Dr. David Kennedy's Favorite Remedy is recognized as a specific. It purifies the blood and dissolves the excess of uric acid in the system, restores the kidneys and bladder to their normal condition and gently moves the bowels. It is better for Constipation than any other. Better for the nerves than any sedative. Better for the weak than any tonic.

All druggists sell it in the NEW 50 CENT SIZE and the regular \$1.00 size bottles. Sample bottle—enough for trial, free by mail. Dr. David Kennedy Corporation, Rondout, N. Y.

MAHONY NAMED.

For the Fourth Time He Is Chosen President of the C. L. U.

Mr. James J. Mahony for the fourth time has been chosen president of the Central Labor Union. His election Thursday night was made at one of the largest meetings the Central has held. Mr. Mahony made an address of acceptance which was well received. He is a leading labor leader, not only of Akron, but of the state, and the good judgment he has always displayed has won him the confidence of both sides. They are: Vice president, J. W. Walker; corresponding secretary, M. Beckwith; recording secretary, W. B. Tannehill; financial secretary, Jas. McNaughton; treasurer, Hon. C. W. Kempel; sergeant-at-arms, A. B. Holmstrom; trustees, D. Tuholsky, R. H. Dewey, Thos. J. Mumford; organizing committee, S. Bender, R. F. Ebert, Joseph Thomas, J. W. Walker, Frank Goodenberger; legislative committee,

workmen and employers. He has done much in building up the labor unions of Akron. He is chairman of the Labor Day Arrangements committee and treasurer of the Bricklayers' union of Akron. In state and national conventions he has often been a delegate and has always done good work.

Good men also were chosen to the other offices of the Central Labor Union. They are: Vice president, J. W. Walker; corresponding secretary, M. Beckwith; recording secretary, W. B. Tannehill; financial secretary, Jas. McNaughton; treasurer, Hon. C. W. Kempel; sergeant-at-arms, A. B. Holmstrom; trustees, D. Tuholsky, R. H. Dewey, Thos. J. Mumford; organizing committee, S. Bender, R. F. Ebert, Joseph Thomas, J. W. Walker, Frank Goodenberger; legislative committee,

prompted to hasten my intentions in building."

After a few remarks upon the growth of the city and some fatherly advice, Mr. Barber said: "Grow up, merchants, manufacturers, and mechanics, strong in your intentions to succeed and excel. I am told you are sustaining nearly as many, if not more saloons, than merchants, which must be an awful tax upon your energy, your strength and your purse. It is to counteract this latter influence to some extent that this library is established and the future building I have outlined will come to you if I have the strength of your support."

Attorney Charles Ammerman, president of the Library Board, responded to Mr. Barber, thanking him in the name of the citizens for his generous gift and closing his remarks with a plea to the people for support and assistance in the maintenance of the library.

Addresses were then made by Rev. Joseph G. Sheffield, Solicitor E. F. Baker, Miss Cecile Bishop, Mr. A. E. French, Dr. Wm. A. Mansfield and Mr. Frank Potts.

Perhaps the best address of the evening was that of Rev. Sheffield, who paid a high tribute to Mr. Barber, and commended the selection of books which have been placed upon the shelves of the library, saying: "Everything is the best in its line."

Solicitor Baker spoke at length on the phenomenal growth and development of the city, industrial, religious and educational. Said he: "I have witnessed the struggle of the city to keep pace with private improvements and in all I have seen the hand of its beneficent founder and most ardent supporter, Mr. O. C. Barber. It is in keeping with his noble nature that he is now looking after the intellectual good of his offspring. There could be no gift of greater worth than this free public library."

A pleasurable feature of the program was the baritone solo by Mr. R. H. Copeland, and the soprano solos by Mrs. Thos. Donnelly, the beauty of whose voice has won for her the title, "Sweet singer of the Magic City," and the piano solos by Miss Grace M. French.

The hall, and the library rooms, which were thrown open to the public for inspection, were handsomely decorated with flags and bunting and the Misses Anna Klefer, Katherine Roberts, Edna McFarlin, Edith Leete, and Cecile Bishop acted as ushers.

At the close of the program, president of the Library Board, Mr. Charles Ammerman, made the announcement that when the project of a Public Library was first broached, Mrs. Wm. A. Johnston and other ladies had undertaken to raise \$1,000 towards the amount. They succeeded by securing donations and giving entertainments in securing in cash \$253.49, and subscriptions to the amount of \$931.50. Mr. Ammerman announced that an effort would be made to collect the money described, and asked that all who had promised donations would pay them promptly.

A FINE GIFT AND GRAND PROMISE

The Barber Free Library Formally Presented and Dedicated.

(Special Correspondence.)

Barberton, July 10.—The dedication of the Barber Free Public Library, which took place in Whigam-Schubert hall, Friday evening, was an important event in the history of Barberton. Notwithstanding the downfall of rain which occurred just at the hour set for the opening of the exercises, 300 persons were assembled in the room and an interesting program, consisting of music by the Barberton band and local artists, and addresses by representative citizens, was carried out.

The opening address was made by Mayor Buel, who, in a happy manner, tendered the thanks of the people of the city to Mr. Barber and the ladies who were associated with him for the fine library presented to the city. "I voice the sentiment of all the people," said he, "when I say that nothing that Mr. Barber has done for Barberton means so much to the citizens as this library." The Mayor closed his remarks with the words: "I have the pleasure of presenting one who has made our city possible; one to whom all honor is due—Mr. O. C. Barber."

As Mr. Barber stepped upon the platform he was given an enthusiastic ovation. He opened his remarks with an apology, saying: "I read my address, tonight, because I wish to be exact, for I want what I say tonight to be binding upon myself, or should I die before the accomplishment of my purpose, upon my heirs. It gives me great pleasure to present to the city of Barberton a nucleus of what I hope will be a great and important library, and I hope to increase the number of its volumes from time to time to meet the requirements of the city. I think fortune that I am in part the author of this Booklet of Barberton. It is a forerunner of a larger volume on industrial activity and intellectual development. It is my desire, before many years, to build for this city a library building, so constructed that it will be a place where you can not only consult books, and study, but where you can meet socially. I therefore pray you to take advantage of this small beginning that I may be able to do so."

Mr. L. D. Hamilton, who has traveled throughout the state inspecting all the canals, said to a Democrat reporter, Friday: "The life of the canal depends in great measure on the report to be made by this commission and the increased rentals which it is hoped will be secured by the voluntary act of water users. We have approached many prominent business men of Barberton on this subject and for the most part find they are willing to pay a reasonable rental for water service. You see Barberton has been using the canal for years and has never paid for it. It is time the city is meeting its share of the expense and I anticipate no opposition."

PERSONAL NOTES.

What People Are Doing In Barberton.

(Special Correspondence.)

Barberton, July 10.—Mr. Wm. A. Fairburn, of New London, Conn., chief engineer and designer of shipbuilding, was in the city, Friday, inspecting boilers at the Stirling Boiler plant, Friday evening. Messrs. Fairburn, of New London, A. E. Hiron and W. C. Hall, of Cleveland, J. P. Sneddon, superintendent of the Stirling Boiler Co., W. W. Clark and J. E. Bell, of the Stirling Co., made up a pleasant dinner party at the Barberton Inn.

Mr. Bailey, of the firm of Stillwell

& Bailey, of Millersburg, was registered at Barberton Inn, Friday.

Mr. M. O'Neill, Miss Taggart and Mrs. Taplin, of Akron, were guests at the Barberton Inn, Friday.

Mr. E. G. Witmer, of Akron, was in the city, Friday.

Mr. J. E. Bell and Mr. Wm. A. Fairburn went to Buffalo, Friday.

SEPARATE OFFICES.

All the Express Companies Now Have Them.

(Special Correspondence.)

Barberton, July 10.—Mr. E. R. Hogle, of Cleveland, and Mr. L. Buckingham, of Tiffin, representing the United States Express Co., were in the city

Friday, making arrangements to institute the free delivery system. Councilman J. W. McCoy has been secured as agent and the office of the company will be in Mr. McCoy's building on Second st. A complete outfit will be put in by the company and the system will be in operation by the first of next week.

This removes all the express offices from the C. & A. C. depot which was made necessary by the increased volume of business.

The Wells-Fargo express office will be removed from the Erie depot at an early date, and Mr. Harry Glass will act as delivery agent.

MOSQUITO BITE

Incapacitates Police Officer Colton For Duty.

(Special Correspondence.)

Barberton, July 10.—Officer Al Colton is off duty, for a few days, recovering from a mosquito bite. Several days ago Mr. Colton was stung, just below the right eye, by a mosquito. The poison spread and the entire right side of Mr. Colton's face is badly swollen and inflammation is spreading to his forehead.

Barberton, July 10.—Mr. L. D. Insanity Due to Nervous and Mental Troubles.

Palne's Celery Compound

The Great Tower of Safety and Rock of Health In the Hot Weather.

Nervous diseases when aggravated by mental disturbances produce "more causes of insanity in the hot weather than at any other season of the year. Nervous headache, nervous dyspepsia, sleeplessness and chronic constipation induce depression of spirits, extreme weakness, morbid fears, despondency and languor; from these, dread insanity comes slowly but surely.

Nervous sufferers have a dread of hot weather. Finding themselves deeper in the pit of misery than they were in the spring and early summer, they are in utter despair.

There is hope for you, dear reader, if you are one of the sufferers. You stand in need of Palne's Celery Compound, that great builder of the nervous system. Its vitalizing action commences with the first bottle you use. The volume of blood immediately increases in the arteries and the body is fully fed and nourished. Your appetite becomes regular and natural, the nerves and brain are strengthened and you have impulses of health that cheer the soul.

This remarkable remedy will truly meet your case and give you a new life; it will lay the foundation for happiness and long years. We counsel you to try this marvelous summer health-restorer at once, and enjoy the blessings of health.
